Refund Policy

Version 2 · In force from 15 January 2026 · Customer care · This version replaces the policy of 1 February 2024.

Faulty bikes

Report a faulty bike in the app within 60 minutes of unlocking it. We refund the full ride to the original payment card within 5 business days, and add a $5 ride credit to say sorry.

Memberships

Annual memberships cost $95. They can be refunded within 14 days of purchase if no rides were taken.

Lost or stolen bikes

A bike that is not returned within 24 hours is treated as lost. The member is charged $950, down from $1,200, because most lost bikes are now found by their GPS tracker.
